TEA TIME WITH ATTORNEYS

Tea Time With Attorneys is a virtual undergraduate program that exposes undergraduates to the various legal career paths and helps them navigate the law school admissions process. Students can look forward to a 30-minute attorney panel discussion that covers the essential skills necessary to succeed in law school and 1-hour student breakout sessions where students have the opportunity to ask lawyers questions and delve more deeply into the law school admission process as well as the skills needed for law school and legal careers.
